Subject: Put a spring in your step!**We're in our TENTH year!**

Well, we turned 10 this year, and we wouldn't still be doing what we're doing without YOUR help. Whether you've stuck with us since the beginning, or recently hopped on board the Bus, we're thankful for supporters like you. Since 2006, we've worked with over 800 children across the United States. We've added two programs to complement our flagship [Lucy's Children™ program](#): [The Healing Room™](#) and [Lucy's KidCorps™](#). All thanks to you! Read more about our new programs below, and make sure to save the dates of our fun upcoming events!

Thank you, today and every day, for allowing us to continue Lucy's dream to deliver comfort to children with cancer... until a cure.

**Calling all volunteers!**

We're holding a volunteer orientation in our Boston office for all of you who are interested in learning just how to get involved! Come stop by, say hi, and learn about the many ways to help keep the bus rollin'! **Thursday, March 24th at 6pm at the [Boston NonProfit Center](#).** Can't make it, but want to volunteer?
