

Lucy's Love Bus is a 501c3 nonprofit organization that helps children with cancer or other life-threatening illnesses by providing free integrative therapies such as massage, meditation, acupuncture, music therapy, and therapeutic horseback riding.

Through our The Healing Room™ program, we partner with a hospital to pay for a practitioner to provide integrative therapies to children directly in the hospital setting. One “program” of The Healing Room™ is defined as a **two or three-hour session once per week**. The patients to work with will be predetermined by the medical team, allowing time within the 120-180 minute block to get from room to room, wash hands, confirm all relevant medical info, and do a hello/goodbye with patients and families. If the demand is not as high on a certain day, you may spend a longer amount of time with patients or work with caregivers/staff-- this will be predetermined by hospital staff. All necessary supplies will be purchased by Lucy's Love Bus.

We are hiring a **licensed massage therapist** to work one two-hour shift per week at Baystate Children's Hospital.

Please note that the following requirements are **mandatory**:

- Must have **oncology and pediatric massage training**, and proof/certifications.
- Must have experience working in the hospital or medical setting.
- Must hold a current Massachusetts massage license.
- Must complete and successfully pass an annual background check.
- Must be fully vaccinated against COVID19, including applicable boosters.
- Must receive a flu shot during flu season.
- Must carry general liability insurance and name Lucy's Love Bus and your partner hospital as additional insured.
- Must submit proof of immunizations for childhood diseases.

Your partner hospital may have additional requirements, and can add others as they deem necessary.

The 2023/2024 rate of pay is \$70 per hour, with length of session based on the hospital's schedule/availability. Practitioners will be considered a 1099 contract employee of Lucy's Love Bus, and a non-paid employee, contract professional, volunteer, or other designation in the hospital depending on the hospital's determination.

An accompanying guide to working in the hospital setting as a representative of Lucy's Love Bus is included. This is an at-will contract position for an initial 52-week period.

Please contact Jackie Walker, Executive Director, with any questions and for more information at jackie@lucyslovebus.org or 978-764-4300.
